Security
3
Activation
Activate your wallet now
Enter the Actvation Code from your backup
603831
Enter the wallet passcode
What is my Activation Code?
You can find the Activation Code in top right region of the wallet backup. If you can't find your wallet backup, click the 'previous' button and save another one.
What is my wallet passcode?
This is the passcode you entered earlier in this process; it is important to remember this.
